#### **ENABLING MOTION & PROCEDURES FOR ELECTRONIC MEETING**

- **MOTION:** That for the purpose of this electronic meeting, the Presbytery of Coastlands approve these special rules of order and suspend any standing rules that interfere with them:
  - a. All information about this meeting of the Presbytery is available through the Commissioner's Handbook (previously distributed), and access for voting participants, will be through Zoom.
  - b. Online meeting service availability shall begin at least fifteen minutes before the start of the meeting.
  - c. The presence of a quorum shall be established by sign-in to Zoom at the beginning of the meeting. Thereafter, the continued presence of a quorum shall be determined by the online list of participating members.
  - d. While every effort will be made to provide stable access to the platforms, each member is responsible for his or her audio and internet connections; no action shall be invalidated on the grounds that the loss of, or poor quality of, a member's individual connection prevented participation in the meeting.
  - e. In order to be enrolled as participants with voice and/or vote, Commissioners, Minister Members, and Corresponding Members must register through the Presbytery office for the meeting.

# SIMPLIFIED SPECIAL RULES OF ORDER AND STANDING RULES

For Electronic Meetings Using Video-conferencing Technology

The Following Special and Standing Rules are applicable to meetings of Coastlands Presbytery when holding meetings utilizing video-conferencing electronic meeting technology:

- 1. All meetings are recorded.
- 2. Unless the meeting is an otherwise in person meeting to which one or more participants are joined electronically, participants are expected to join the meeting on individual devices (one person, one device). Should joining on individual devices not be possible, participants may make arrangements to join the meeting as a group.
- 3. Participants are encouraged to join the meeting on a desktop or laptop computer. The following are requirements for such computers:
  - a. High speed internet access.
  - b. Sound output device. While speakers are allowed, this will preferably be a headset, earbuds, or Bluetooth device that delivers the sound directly to the participant's ear rather than into an open room; except for group gatherings.
  - c. A microphone device other than a built-in microphone.
  - d. A webcam (preferred, but optional).
- 4. If joining by computer is not possible, a tablet may be used, using the video-conferencing app, available from the device's app store. Regarding audio/visual devices, the same requirements and preferences exist as for computers.
- 5. Only if joining by one or the other of the above options is <u>impossible</u>, participants may dial into

the meeting using either a traditional or cellular phone. However, dial-in instructions will not be provided unless requested ahead of the meeting.

- 6. Upon entering the meeting, those on computers or smart devices will click on the word "participants" and then click on the word "chat" at the bottom of their screens to see a participant chat.
  - a. On entering, please enter in the chat, your name, and your church or validated ministry or your HR status.
  - b. Once "checked-in" to the meeting, microphones will be muted by default.
  - c. To gain recognition, the preferred method is to use the 'Raise Hand' () function under the 'Reactions' panel.
  - d. When called upon by the Moderator, they should unmute their microphones and, if their video feed is turned off, they may click on the camera icon to turn on their webcams.
- 7. Those entering the meeting via a traditional phone call will enter "\*9" on their keypads, which activates the "raise hand" beside their phone number which is displayed in the participant list. When a host calls outtheir phone number, they will identify themselves by stating their full name.
- 8. The staff will be renaming guests. 'ZV-' will be placed at the beginning of your name if you have voice and no vote. 'Z-' will be placed at the beginning of your name if you do not have voice or vote. Please do not remove the ZV- or Z- from your name.
- 9. The "chat" feature will be used for seeking recognition. Participants will only be able to chat with meeting host(s) or the Tech Human.
  - a. Please only chat with Moderator for that purpose. The Tech Human is responsible for acknowledging chats.
  - b. If an individual has a Zoom technical question or difficulty, they may private chat with the Tech Human.
  - c. When multiple participants are seeking recognition, once the Moderator has called on someone, all other participants will be handled as the Moderator deems appropriate.
  - d. If you have an "interrupting motion" (a point of order, a request for preference in recognition, etc.), chat again after it has been acknowledged by a host. Please send the chat message in ALL CAPS like "MR/MADAM CHAIR!" and use the 'Raise Hand' function.
  - e. At all times participants are expected to be respectful in the chat.
- 10. If you have a motion to make other than a procedural motion, the motion should be entered in writing into the participant "chat," then sent to the Moderator, after which you should seek recognition. When called upon, you should move it, and once a second is received via chat (like "Second"), the host(s) will put the motion up in the screen share feature for everyone to see, and then discussion/voting may follow.
- 11. If you want to speak to a motion, raise your zoom participant hand  $\bigcirc$  (found when clicking on the Reactions button), and wait for the moderator to recognize you. You will be prompted to unmute yourself. Please make sure your video is on if you wish to speak.
- 12. The moderator will repeat the motion prior to the vote.
- 13. Votes will be taken using the green checkmark ' $\checkmark$ ' and the red ' $\bigstar$ ' in the Reactions button.

The green checkmark  $\checkmark$  indicates you vote 'yes', the red ' $\times$ ' indicates you vote 'no'. If visitors vote (renamed with Z or ZV) that vote will not be counted.

14. A vote by means of "raised hand" (▶) (or yes/no ✓/×) is a "division," not a "counted vote" – meaning that the chair will quickly scroll through the list of participants for a sense of how many have voted first in favor, and then against the motion, and rule which side has it. If the chair is uncertain, he or she may order a counted vote– or a member may move that a counted vote be taken (a motion for a counted vote must be seconded, is not debatable, and requires a majority vote).

#### Gap Leader Consultant Report to the Presbytery of the Coastlands November 29, 2022

Ministry and mission in Presbyterian churches is 100% the same as it was in 2019 and 100% different. That seems like an odd statement, but I wonder if this analogy will help:

When I took driver's education 50 years ago, I learned how to navigate a four-way stop. Pull up until the front of the car is even with the stop sign (or farther if something obstructs your view.) Come to a full stop (you might have to do this twice if you have had to pull forward to see around an obstruction.) Look to see if there are any other drivers who are already at the corner. If you have arrived before anyone else, you have the right of way when it is safe. (I have told the young drivers in my life with whom I am sometimes the assistant driver, "The right of way is given, not taken.") Proceed when it is your turn and go on your merry way. If two drivers arrive at the same time, the driver to the right goes first. If you arrive when a pattern has already been established at a busy corner, you may proceed when the car across from you is proceeding straight through the intersection. We all learned other, more informal rules as well. Make sure the other driver is coming to a full stop. Make eye contact with them if you can to be sure they know you are proceeding. If you don't like to try to figure out four way stops, find another route to your destination!

Now there are many places where I drive through roundabouts/traffic circles. I understand that they have been found to be safer than four-way stop, unmarked corners, and corners where only the traffic proceeding in one direction is required to stop. Perhaps they are safer because baby-boomer drivers like me have to try to figure out which lane we are supposed to drive in, whether we smoothly merge or yield and lots of other dilemmas.

Ministry and mission at the end of 2022 is like driving in a traffic circle for an experienced driver. We are driving a car that operates in its essentials like every other car we have ever driven. The rules of the road are the same. But the application of those rules takes on different nuances and we have to pay very careful attention to any peculiarities every time we enter this (to some of us) new way of driving.

While we were away during the height of the pandemic, our buildings got only a couple of years older but when we came back many of us noticed that the building seems to have aged much more than that. The cracks and funny smells and steps and broken equipment that we overlooked when we saw them fairly often now seem more urgent. We all aged only a couple of years but many of our congregations are made up mostly of people who did not have another good couple of years to go. Some people cannot return or do not want to return to church because of infirmity. Others have gone ahead of us to meet our maker. Others found other pursuits on Sunday morning and cannot now imagine how they ever made time for worship.

The call to mission and ministry has not changed. The tools that we use to accomplish it must. We have the building blocks based on what we have always known. People will make decisions about whether

Christianity has a solid foundation in truth and love by the way we interact with them. Our job is to find a way to share the gospel so that it can be heard and revered in a life-changing way among the noise that surrounds us.

I have learned how to navigate the traffic circles in my life even though I never had a class that taught it or watched a YouTube video to be sure I knew what I was doing. I went back to the basics of driver's ed and applied them in a new way. How are you recommitting yourself to the basics of mission and ministry so that we can continue to bring hope in the name of Jesus?

Re: Session Records Review

A virtual-only version of the Session Records Review was hosted by Rev. Sue Smith and Ken Gordon via tele- and video conference. Since these were virtual meetings, participating churches were unable to review their colleagues' Session records, however, we requested all participants conduct a review of their own records and complete a Session Records checklist that summarizes many of the "best practices" that should be recorded in Session Records<sup>1</sup>. A copy of the checklist is enclosed.

Of 72 churches in the Coastlands Presbytery, 27 churches participated in these virtual meetings and completed the checklists for the calendar year ended Dec-31-2021.

Respectfully submitted,

Ken Gordon Session Records Review Committee info@coastlandspresbytery.org

<sup>&</sup>lt;sup>1</sup>Book of Order G-3.0208a states "...Higher councils shall review the work of lower councils in the following ways: Each council shall review <u>annually or biennially</u> [emphasis added], based on the body's meeting frequency, the proceedings and actions of all entities related to the body, all officers able to act on behalf of the body, and lower councils within its jurisdiction. In reviewing the procedures of the lower council, the higher body shall determine whether the proceedings have been correctly recorded, have been in accordance with this Constitution, have been prudent and equitable, and have been faithful to the mission of the whole church. It shall also determine whether lawful injunctions of a higher body have been obeyed.

Coastlands Presbytery Trustees FinanceCommittee 2023 BudgetNarrative

November 16, 2022

Note: The Trustees reviewed a preliminary version of the 2023 budget in October and will have reviewed this version prior to the November 29 Presbytery meeting. The recommended per capita rate remains unchanged at \$40 per member.

To develop the 2023 budget, the Finance Committee relied on the theology of abundance developed by the Finance Petal Team during the months of our presbytery's formation. God has gifted us with tremendous resources for carrying out the mission of our presbytery. "The vision should shape the budget, not vice-versa."<sup>1</sup>

Thus far, our Presbytery has developed a staffing model and formed Nominating Committees to find Relational and Administrative Co-Leaders and a Stated Clerk. The 2023 budget necessarily includes the costs of fully funding those positions as well as existing staff positions. And, of course, there are insurance costs, administrativecosts, and our payments to the Synodof the Northeast and the General Assembly.

Working with the Presbyterian Foundation, the Trustees have invested our Presbytery's assets in two funds:

- a "long-term" fund for operations, including the cost of staff. We anticipate drawing income routinely from the long-term fund.
- A "short-term" fund for mission, with investments that have a 3-to-5-year horizon. We anticipate drawing more income from this fund in some years, and less in others.

Because economic inflation is likely to strain our member churches' budgets, the Finance Committee decided to hold per capita contributions at \$40 per member. Then, rather than lament the projection that per capita and shared mission contributions from churches will likely fund only two thirds of what we want to do, the Finance Committee has budgeted a larger draw on income from the long-term reserves for 2023. We recognize that the projected draw is not sustainable, but we believe it is important and necessary. We also believe that, as our Presbytery develops and acts upon its vision and mission, good work will attract good support, and contributions from our congregations will increase.

At this time there are no Presbytery mission commitments for 2023. The Finance Committee anticipates Presbytery will develop mission commitments once staff are in place to guide mission efforts and develop a mission structure. In this way we anticipate the vision will shape the budget in the months and years to come.

#### **Report of the Bills and Overtures Committee**

To the Stated Meeting of Coastlands Presbytery November 29, 2022

Greetings Presbytery of the Coastlands,

On behalf of the Bills and Overtures Committee I bring the following proposed amendments to the Book of Order before you. During General Assembly this year the Assembly took actions that require us to vote to approve or disapprove the proposed amendments passed by the Assembly. Over the coming Presbytery meetings we will begin to plug away at these amendments.

The hope of the committee is that we start with amendments that will be least controversial and then move on to those that sparked more debate at plenary. This will allow us to get the "easy" ones out of the way first and save time for debate on the more animating changes later.

This meeting we bring before the presbytery proposed changes to the Book of Order that consist of language changes. During the assembly it was voted by plenary to make changes to the Book of Order that change the language used in the Directory for Worship section. These changes reflect the Assembly's view that the language should allow for more freedom and variety in worship and to the different flavors of specialized ministry.

In the opinion of the committee these changes are minimal, keep the spirit of the previous Directory for Worship, prepare the church for the future, and allow the local church more freedom in worship style. All of these rationales factor together for our recommendation to approve these proposed changes via an omnibus motion: 22-T, 22-U, 22-V, 22-X, 22-Y, 22-Z, 22-AA, and 22-BB.

If you wish to see the language of these changes for yourself or want more information, we invite you to read the accompanying pages which flesh out these amendments and present you with the rationale and comments from the Advisory Committee on the Constitution (ACC).

**Motion:** That the Presbytery of the Coastlands approve the following proposed Amendments to the Book of Order – Directory for Worship section:

- a) 22-T W-3.0205 b) 22-U — W-3.0409 c) 22-V — W-3.0414
- d) 22-W W-4.0403 e) 22-X — W-5.0104
- f) 22-X = W-5.0104
- $\begin{array}{c} 1) \quad 22 Y = -W 5.0104 \\ g) \quad 22 Z = -W 5.0201 \end{array}$
- g) 22-2 = W-5.0201h) 22-AA = W-5.0204
- i) 22 --BB W 5.0204

Note: Any Commissioner may request that an individual item be removed from the motion for separate consideration or debate (example: by requesting that "Item f" be removed for separate consideration). However, in the issue of proposed amendments to the Book of Order, the proposed amendments may ONLY be voted up or down. No changes may be made to the proposed amendments.

# Warrant

# for an Administrative Commission

# Of the Presbytery of the Coastlands concerning the Witherspoon Street Presbyterian Church Princeton, NJ

# July 5, 2022

The Presbytery is given authority, in our polity, to:

d. counsel with a session concerning reported difficulties within a congregation, including:

- (1) advising the session as to appropriate actions to be taken to resolve the reported difficulties,
- (2) offering to help as a mediator, and
- (3) acting to correct the difficulties if requested to do so by the session or if the session is unable or unwilling to do so, following the procedural safeguards of the Rules of Discipline;
- e. assume original jurisdiction in any situation in which it determines that a session cannot exercise its authority. After a thorough investigation, and after full opportunity to be heard has been accorded to the session, the presbytery may conclude that the session of a congregation is unable or unwilling to manage wisely its affairs, and may appoint an administrative commission with the full power of session. This commission shall assume original jurisdiction of the existing session, if any, which shall cease to act until such time as the presbytery shall otherwise direct. (G-3.0303d-e BOO 2019-2021)

In exercising this authority, the Commission on Ministry (COM) has made a deliberate inquiry into the situation at the Witherspoon Street Presbyterian Church, in Princeton, NJ. This inquiry consisted of sending a team of COM members to meetings with the Session, and other people present. In addition, the COM and other representatives of the Presbytery have received various communications, written and/or informal, from members of the Witherspoon Street Presbyterian Church, and others who have observed the situation there. The COM has received numerous requests from members and the Session of Witherspoon Street Presbyterian Church, that the COM take appropriate action to assist with the resolution of difficulties leading to the current conflict.

In our connectional polity we are well suited to provide support for one another in times of trouble. We often form response or support teams to help in various situations. In order for a response or support team to be able to act on behalf of the Presbytery and with the Presbytery's full authority it requires the technical language of a Warrant for an AC. The warrant describes the ways in which the commission will support, protect, and encourage the Witherspoon Street Presbyterian Church's "Ministry under the Word." COM, the Stated Clerk and the Gap Presbytery Leader remain committed to the long-term viability and growth of this congregation and find this means of official support to be the best suited to ensure the strongest future of this ministry. While the Church is currently experiencing difficulties, we have great hope for its future life and ministry and have been encouraged by the commitment to ministry we have seen during our visits.

Therefore, the COM determined, at its stated meeting of July 5, 2022, that significant disorder is reported

to exist in the Witherspoon Street Presbyterian Church, such that its ministry under the Word was placed in jeopardy. The COM requested the Presbytery of Coastlands, at a Called Meeting, on Tuesday, July 26, 2022, to create and empower an Administrative Commission.

Among the responsibilities given to an Administrative Commission in our polity are the following:

visiting particular councils, congregations, or agencies over which they have immediate jurisdiction reported to be affected with disorder, and inquiring into and settling the difficulties therein, except that no commission of a presbytery shall be empowered to dissolve a pastoral relationship without the specific authorization by the designating body (G-2.0901). (G-3.0109b (5) - BOO 2019-2021)

The Administrative Commission will have the following powers and responsibilities:

- 1. To inquire into the difficulties occurring in the Witherspoon Street Presbyterian Church, historical and current, affording to all persons in interest fair notice and an opportunity to be heard on the matters at issue, in accordance with G-3.0109b.
  - a. The Administrative Commission shall have access to all records and documents which pertain to the life and mission of the Witherspoon Street Presbyterian Church, without limitation. This shall include access to all financial documents and accounts as well as all personnel records.
  - b. The Administrative Commission shall seek to hear from all concerned parties, including members, former members, former pastors, families of members, friends of the church, visitors, the pastors and their families, employees and staff people, building users, neighbors, and community figures. The Commission shall use its discretion in ensuring that all concerned parties have all pertinent documents communicated to them. The Commission shall conduct its business in the open, without undue secrecy. At the same time, the Commission shall take seriously any evidence or allegations of wrongdoing in the life of this church by any party.
- 2. To settle whatever difficulties may be discovered, acting on behalf of the Presbytery, which is ". . . responsible for the government of the church throughout its district, and for assisting and supporting the witness of congregations to the sovereign activity of God in the world, so that all congregations become communities of faith, hope, love, and witness." (G-3.0301 BOO 2019-2021)
- 3. In carrying out this responsibility, the Administrative Commission, acting on behalf of Presbytery, is hereby empowered and directed:
  - a. Pending a hearing with the Session and the Pastor, To assume original jurisdiction of the Session of Witherspoon Street Presbyterian Church, unless there are compelling reasons not to assume original jurisdiction. (G-3.0303e BOO 2019-2021)
  - b. To provide pastoral care for the Witherspoon Street Presbyterian Church in a time of crisis, conflict, and uncertainty. This shall include praying with and for the congregation, Session, Pastor, and their families; encouraging communication among the participants in the church's life; seeking opportunities to recommend services of confession, healing, and reconciliation; and directing all participants in the church's life to a renewed encounter with the demands of God's Word.
  - c. To provide coordination and guidance for the Witherspoon Street Presbyterian Church, assisting the church in mobilizing its strength for making the most effective witness to Jesus Christ. (G-3.0303 BOO 2019-2021) This will include at a minimum developing and implementing appropriate staffing policies, job descriptions and review procedures. It will also include the examination of the budget and helping to implement appropriate

financial procedures and controls if those in place are found to be lacking. It will also include planning in the short and longer term for sustainable pastoral leadership and programming staffing models for the congregation. Any other such guidance and coordination as becomes necessary during the course of the Commission's work shall be included in the scope of this warrant.

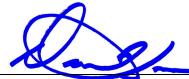

- d. To determine whether there are constituencies in the Witherspoon Street Presbyterian Church which are unrepresented on Session and to counsel with the church if necessary.
- e. To "[act] to correct the difficulties if requested to do so by the session or if the session is unable or unwilling to do so, following the procedural safeguards of the Rules of Discipline." (G-3.0303d (3) BOO 2019-2021)

The Administrative Commission shall be empowered to perform all administrative and other tasks necessary to fulfill its charge and to carry out the responsibilities delegated to it.

This Administrative Commission shall report to Presbytery at each Stated Meeting, until its mandate is completed. Membership in this Administrative Commission shall be by appointment of the Commission on Ministry, in consultation with the Stated Clerk and the Gap Presbytery Leader. The Stated Clerk shall serve, Ex Officio, as a resource for the Administrative Commission.

If requested by the Administrative Commission, Coastlands Presbytery shall secure Counsel for their work.

The Rev. Dr. Nina Reeder, Co-Moderator of the Commission on Ministry

The Rev. Dr. David A. Torrey, Acting Stated Clerk of Presbytery
