Empowering congregations and people of faith to transform the world.

POLICY REGARDING THE ORDINATION AND INSTALLATION COMMISSION AND SERVICE

The ordination and /or installation of a Minister of Word and Sacrament is an act of the Presbytery on behalf of the entire church. It occurs in the context of a service of Christian worship and follows the basic order outlined in the Directory for Worship. Sections G-2.07 and W-4.04 of the Book of Order should be carefully read for guidance about the particular form and order of the portion of the service during which the ordination/installation will occur. It is critical that this service, as with all worship services, magnifies and glorifies God and God's work, rather than any human accomplishment.

The person to be ordained/installed is responsible for presenting to the Commission on Ministry in a timely fashion, typically within two months, information about the time and place of the service and the members of the Administrative Commission who will act on behalf of the presbytery in ordaining/installing the person. In addition to this information and as applicable, requests for participants from other presbyteries to be seated as corresponding members and / or permission to celebrate the Lord's Supper should also be submitted to the COM. The COM is available to assist with identifying individuals to serve on the Administrative Commission if assistance is needed.

Ordinations and installations shall normally take place within six months of approval or arrival. Ordinations shall ordinarily take place at the church in which a candidate has been a member or may take place at the place of worship of the calling congregation. Installations shall be held in the normal place of worship of the calling congregation. The date and time of these services shall not ordinarily be on Sunday morning or at a time when the Presbytery would be meeting at some other location. Since these services are services of the presbytery it is essential that the members of the presbytery be generally able to attend. (It has usually been found that a Saturday or Sunday afternoon time is preferable.)

The Ordination or Installation Commission is comprised of:

- The moderator(s) of the Presbytery of the Coastlands as Presiding Officer of the commission, plus;
- A substantially equal number of elders and minister members of the presbytery whose number shall be at least five persons; elders must be from different congregations of the presbytery. (Other persons from a congregation may participate but shall not be on the commission.)
- The commission shall include a diversity of genders and shall seek to include persons of diverse cultural and racial backgrounds in order to express the desire of Christ for the expression of unity among the members of the church.
- When additional persons are asked to serve in the worship for the ordination/installation they shall be invited by the presbytery and shall not be given the responsibilities of the ordination or installing questions, which belong to the co-moderator or the co-moderator's designee.

- The worship service shall normally include an offering. The offering shall be designated for use by the Commission on Preparation for Ministry in support of inquirers and candidates under care.
- All arrangements for the service of ordination or installation shall be prepared by the candidate or pastor-elect in consultation with the session of the congregation and with the Commission on Ministry. Final approval of all arrangements, including approving the administrative commission, rests with the committee.
- Gracious invitation would indicate that each member of the Administrative Commission participate in the service should they so desire.

The date of the service should be selected with several items in mind, including:

- The availability of one of the co-moderators of the presbytery to preside
- The liturgical calendar as well as the activities of and other demands on the hosting congregation
- The time needed by the newly arrived pastor to prepare for such a service
- The schedules of those who will be attending and participating in the service, including the family of the pastor
- The provision of sufficient notice to the congregations and members of the presbytery so that they may plan to have representatives present
- It is suggested that the service be no longer than 1 – 1 ½ hours

On the day of the ordination/installation:

- The commission and any other participants should meet with the person to be ordained/installed 20-30 minutes before the scheduled beginning of the service. This provides time for prayer and to clarify each member's particular responsibilities during the service.
- The co-moderator moderates the meeting of the administrative commission. Using the template provided by presbytery, minutes must be provided to the Stated Clerk in a timely manner. The agenda for the meeting:
 - Open with prayer.
 - Approve motion that this commission is in order
 - Approve motion to seat corresponding members (ministers from other presbyteries, record presbytery name)
 - Approve motion to proceed with the installation
 - Approve motion that this commission is dissolved at the conclusion of the benediction.
 - Close with prayer.

Some other notes that may be of help to a pastor planning for ordination or installation:

- The Presbytery office can email an invitation to the Presbytery.
- It is customary for a modest reception to be held following the service. During this time, those in attendance can greet the newly ordained/installed minister. Consult with the PNC about this – since in many cases the PNC will want to host the reception.

Order of Worship for the Service of Ordination (and Installation)
